Coordination of Benefits (COB):

- Guardian applies Standard COB guidelines.
- When this Plan pays benefits first, we'll calculate the benefits payable as if you have no other dental coverage.
 - When another plan pays benefits first, the benefits available under this Plan will be calculated so that the total amount of benefits paid between all of your plans combined doesn't exceed the allowable amount for the services received.
 - We also won't pay more in benefits than we'd pay if this Plan paid first.

*Dates are not always available for every service.

**Message can include service frequency, age limitations, variations, and more.

***This procedure can be in multiple categories. Please see Message for more details.

Multi-visit procedures are paid on the preparation date.

Please note that these are general plan benefits, and that this statement is in no way a guarantee of eligibility and/or benefits. Payments, implied or otherwise, are subject to all policy provisions and limitations in force when you obtain services; waiting periods may apply.
